Oregon Health Authority | COVID-19 Updates

On March 8, Gov. Kate Brown declared a state of emergency to address the spread of COVID-19 in Oregon. An Executive Order issued March 23 directs Oregonians to stay home except for essential needs. The Oregon Health Authority (OHA) serves as the lead agency for the public health response.

You can help stop COVID-19 from spreading. Wash your hands and cover your cough. Stay home if you are sick and avoid contact with people who are sick. Stay Home. Save Lives. For general information on COVID-19 in Oregon, call 211. If you are having a medical emergency, call 911.

As we face COVID-19 together, it's clear that we are strongest when we are in community, even from a distance. To help keep our communities safe and healthy, the **Safe + Strong website** provides updates, resources and information in multiple languages. With the right information, we can get through this — together.

Situation in Oregon

COVID-19 data are provisional and subject to change with ongoing data reconciliation.

COVID-19 Cases in Oregon

OHA Data Dashboard

Daily Update

Weekly Report

Data current as of 5/5/2020, 8:00 a.m. Updated daily.

Total cases	2,839 [†]
Total deaths	113
Positive tests	2,817
Negative tests	62,585
Total tested	65,402

[†]This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are those without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case.
