### COVID-19 IN SOUTH DAKOTA

Please wait. The data dashboard below takes a moment to load.

[BACK TO TOP](#)

PRECAUTIONS TO AVOID ILLNESS

## CLEAN HANDS OFTEN

- ✓ Wash hands often with soap and water for at least 20 seconds especially after you have been in a public place
- ✓ Avoid touching your eyes, nose, and mouth with unwashed hands.

## AVOID CLOSE CONTACT

- ✓ Avoid close contact with people.
- ✓ Stay at home as much as possible, except to run essential errands or to seek medical attention.
- ✓ Put distance between yourself and other people. Remember that some people without symptoms may be able to spread the virus.

## WEAR A CLOTH FACE COVER

- ✓ Everyone should wear a cloth face cover when they have to go out in public, for example to the grocery store or to pick up other necessities.
- ✓ The cloth face cover is meant to protect other people in case you are infected.
- ✓ Do NOT use a facemask meant for a healthcare worker.
- ✓ Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

## COVER COUGHS & SNEEZES

- ✓ Remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- ✓ Throw used tissues in the trash.
- ✓ Immediately wash your hands with soap and water for at least 20 seconds.

## CLEAN AND DISINFECT

- ✓ Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- ✓ If surfaces are dirty, clean them: Use detergent or soap and water prior to disinfection.

**THE BEST WAY TO PREVENT ILLNESS IS TO AVOID BEING EXPOSED TO THIS VIRUS.**

### What can you do?

- Wash your hands often with soap and water for at least 20 seconds or use an alcohol-based hand sanitizer.
  - [Q&A for Consumers: Hand Sanitizers and COVID-19](#)
- Cover your coughs and sneezes with a tissue.
- Avoid close contact with other people.
- Refraining from touching your eyes, nose and mouth.
- Clean frequently touched surfaces and objects.
- Individuals at higher risk for severe COVID-19 illness, such as older adults and people who have chronic medical conditions like heart, lung or kidney disease, should [take actions](#) to reduce your risk of exposure.
- Create a family [plan](#) to prepare for COVID-19 and develop a [stay at home kit](#) with food, water, medication, and other necessary items.

South Dakota's healthcare system is prepared to identify and treat cases of COVID-19.

[BACK TO TOP](#)

## WHAT TO DO IF YOU DEVELOP SYMPTOMS

### If you develop symptoms:

- Call your health care provider immediately and tell them about any recent travel or exposure.
- Individuals who are concerned that they have COVID-19 should contact their healthcare provider via phone before going to a clinic or hospital to prevent spread in healthcare facilities.
- Avoid contact with other people.
- Follow the directions of your healthcare provider and public health officials.

## INFORMATION FOR MEDICAL PROVIDERS

- [Office for Civil Rights \(OCR\) Announces Notification of Enforcement Discretion for Telehealth Remote Communications During the COVID-](#)

## 19 Nationwide Public Health Emergency

- Medical providers who are concerned a patient may be infected with COVID-19 should:
  - Mask the patient
  - Isolate the Patient in a private room or separate area, and
  - Contact with SD-DOH (800-592-1861) immediately for consultation and guidance
- Clinicians are strongly encouraged to test for other infectious causes of respiratory illness, such as influenza and RSV. **Note:** Asymptomatic patients are **not eligible** for testing at the SD Public Health Laboratory. High-priority specimens for testing include:

### Clinical Features

Fever OR Cough OR Shortness of Breath

Fever OR Cough OR Sore Throat OR Shortness of Breath

### Risk Exposure

-Individuals who are hospitalized  
OR  
-Persons in institutional settings (long-term care facilities, assisted living centers, etc.)

-Healthcare workers and first responders

- [Symptom Checker Algorithm](#)
- SD-DOH would like to remind medical providers, hospitals, and laboratories that cases of COVID-19, caused by the SARS-CoV-2 virus, are considered immediately **reportable** in South Dakota (under Coronavirus Respiratory syndromes).

### Emergency Management Assistance Compact

On March 23, 2020, Governor Noem issued **Executive Order 2020-07** which recognizes the licenses of medical professionals licensed in another state in accordance with the Emergency Management Assistance Compact. The following professions licensed in other states have the authority to practice in SD based on an active license in another state. They do not need to gain another license in SD. It is recommended that if you are utilizing the services of one of the professionals licensed in other states that you verify the licensure status of that individual. Please contact the board office with any questions that you have during this Coronavirus Pandemic.

- Physicians and Surgeons ([SDCL 36-4](#))
- Physicians Assistants ([SDCL 36-4A](#))
- Advance Life Support Personnel ([SDCL 36-4B](#))
- Respiratory Care Practitioners ([SDCL 36-4C](#))
- Registered and Practical Nurses ([SDCL 36-9](#))
- Certified Nurse Practitioners And Certified Nurse Midwives ([SDCL 36-9A](#))
- Medical Assistants ([SDCL 36-9B](#))
- Physical Therapists ([SDCL 36-10](#))
- Dietetics and Nutrition ([SDCL 36-10B](#))
- Pharmacies and Pharmacists ([SDCL 36-11](#))
- Social Workers ([SDCL 36-26](#))

- Psychologists ([SDCL 36-27A](#))
- Occupational Therapists ([SDCL 36-31](#))
- Professional Counselors ([SDCL 36-32](#))
- Marriage and Family Therapists ([SDCL 36-33](#))
- Addiction and Prevention Professionals ([SDCL 36-34](#))
- Speech-Language Pathologists ([SDCL 36-37](#))
- Basic Life Support ([SDCL 34-11](#))

#### Important LISTSERVs for Healthcare Providers

The Department of Health maintains a variety of LISTSERVs that provide useful information on COVID-19, including current guidance and scheduled calls.

- [Health Alert Network](#)
- [Laboratory LISTSERV](#)
- [Epi LISTSERV](#)
- [Healthcare-associated Infections LISTSERV](#)
- [Office of Licensure and Certification LISTSERV](#)

#### ATTENTION RETIRED OR INACTIVE MEDICAL PROFESSIONALS:

Governor Noem is reaching out to our state's licensed medical professionals (physicians, nurses, EMTs, etc.) who are willing to volunteer their services during this COVID-19 pandemic through the Department of Health's Statewide Emergency Registry of Volunteers in South Dakota (SERV SD). SERV SD coordinates the pre-registration of medical and health care professionals who may be willing to volunteer in the event of an emergency.

Whether you work in a health field or not, active or retired, if you have an interest in assisting your community or state during the COVID-19 pandemic, we invite you to join SERV SD. SERV SD will create a database of medical and health care volunteers who can be mobilized immediately in response to an emergency. **Participation in a deployment opportunity is optional. You may decide at the time a call is made to volunteer if you are willing and able to respond.**

Registering with SERV SD is easy. Go to <https://volunteers.sd.gov/>.
