Tests Performed

17,350 312,594 329,944 1,028

15,151 16,179 346,123 Please note, these data are meant to provide a <u>rough estimate</u> of testing volume. Due to different source data, numbers may differ slightly from day to day. Laboratory reports of positive cases are reported to metro and local health departments as soon as results are available. State numbers are updated at 2pm daily and there may be a lag in the reporting of cumulative numbers at the state level.
