CORONAVIRUS DISEASE 2019 (COVID-19)

Situation Summary

- The Virginia Department of Health is monitoring an outbreak of respiratory illness, called coronavirus disease 2019 (COVID-19), caused by a novel (new) coronavirus that was first detected in Wuhan, Hubei Province, China.
- Cases of COVID-19 are also being reported in a growing number of countries internationally, including the United States, where the first case of COVID-19 was confirmed on January 21, 2020 in a traveler who had recently returned from Wuhan.

If you are a healthcare professional evaluating a patient for suspected COVID-19, please contact your local health department immediately.

NOTE: VDH is no longer reporting the pending number of tests as testing capacity has expanded to include commercial

laboratories. Commercial laboratories report all results to VDH. Information will be updated daily, Monday-Friday at noon; and will be updated daily on weekends.
