Link/share this page at www.kingcounty.gov/covid

On March 12, 2020 Washington State Governor Jay Inslee announced that all schools in King, Snohomish, and Pierce counties will close from Tuesday, March 17 through Friday, April 24. The decision was made in response to the spread of COVID-19 in the Washington counties hit hardest by the virus. With this in mind, we've created resources for [child cares and families for how to care for children while school is out](#).

This is a critical moment in the growing outbreak of COVID-19 in King County. Public Health — Seattle & King County is working closely with the Centers for Disease Control and Prevention to protect the public's health. We understand these actions will have a tremendous impact on all members of our community. These efforts are meant to slow the spread of novel coronavirus and reduce the number of people infected.

Guidance for people who have or think they have COVID-19

- [What to do if you were potentially exposed to someone with confirmed COVID-19](#)

- [What to do if you have symptoms of COVID-19 and have not been around anyone who has been diagnosed with COVID-19](#)

 **UPDATE:** March 14, 2020 at 3:31 pm

King County Public Health has confirmed cases of novel coronavirus, as seen in other parts of the world and U.S. The majority of these illnesses are mild, with fever and cough. A much smaller percentage of cases are severe and involve pneumonia, particularly in elderly people and people with underlying medical conditions. **This is a quickly evolving situation and this site will be updated frequently.**

Case updates updated Mar. 14, 2020

- **Number of confirmed cases:** 388
- **Number of deaths:** 35
