In King County, we all must take urgent action to minimize the health impacts of COVID-19:

- A health order has been issued to curtail the amount of face-to-face interaction. This includes a prohibition on all events with 50 or more people and health requirements to hold smaller gatherings. Many social and recreational services must temporarily close and restaurants may not offer dine-in services.
- Avoid close contact with others as much as possible.
- Wash your hands frequently and don't touch your face. These simple actions are among the most effective to avoid illness.

Guidance for people who have or think they have COVID-19

- What to do if you have confirmed or suspected coronavirus disease (COVID-19) (PDF)
- What to do if you were potentially exposed to someone with confirmed coronavirus disease (COVID-19) (PDF)
- What to do if you have symptoms of coronavirus disease 2019 (COVID-19) and have not been around anyone who has been diagnosed with COVID-19 (PDF)
