What To Do If...

Stay Home, Stay Healthy

STAY HOME, STAY HEALTHY

Gov. Jay Inslee issued a "Stay Home, Stay Healthy" order on March 23, effective through at least April 6. The order requires Washington residents to stay home. People can leave home for certain essential activities including grocery shopping, exercise (if social distancing is maintained), medical appointments, and going to work at an essential business.

The order also banned public and private gatherings and closed non-essential businesses. Learn more about the "Stay Home, Stay Healthy" order and other statewide measures in effect at [coronavirus.wa.gov](https://www.wa.gov/coronavirus).

STAY HOME, STAY HEALTHY

WHAT BUSINESSES ARE ESSENTIAL?

Find out at:
coronavirus.wa.gov/business-workers

The governor's office [posted guidance](#) explaining what businesses are "essential" and can remain open during the order. Business operators can request clarification on their status, or ask to be added to the list by [filling out this form](#). Learn more at coronavirus.wa.gov/business-workers.

KITSAP HEALTH OFFICER DIRECTIVES (UPDATED 03/27/2020)

Following the governor's Stay Home, Stay Healthy order, Kitsap Public Health District Health Officer Dr. Susan Turner issued a letter with directives for Kitsap employers, workers, and residents. Read the [full letter here](#).
