NOVEL CORONAVIRUS 2019

This is an evolving situation. This page will be updated as more information is available.

The Snohomish Health District, Washington State Department of Health, and Centers for Disease Control and Prevention are closely monitoring the coronavirus disease (COVID-19).

The Snohomish Health District is tracking COVID-19 carefully and making plans should it present a more significant threat to the health of our community. Now is the time to begin preparing.

The most important thing you can do is remain calm, prepared, and informed. It also is important to take standard illness prevention tips. The same steps you take to reduce the spread of flu or other respiratory illnesses are key tools for reducing the spread of coronavirus.

WORRIED ABOUT FLU OR CORONAVIRUS?

HELP FIGHT THE SPREAD OF ILLNESS POW!

WASH HANDS OFTEN
WITH WARM WATER AND SOAP FOR AT LEAST 20 SECONDS. HAND SANITIZER IS GOOD IN A PINCH.

KEEP HANDS AWAY
FROM MOUTH, NOSE OR EYES TO AVOID TRANSFERRING GERMS.

CLEAN AND DISINFECT
FREQUENTLY USED SURFACES LIKE COUNTERS, LIGHT SWITCHES, DOORKNOBS, AND REMOTES.

COVER COUGHS & SNEEZES
WITH A TISSUE, THEN THROW TISSUE AWAY AND WASH YOUR HANDS.

IF YOU FEEL SICK, STAY HOME
FROM WORK, SCHOOL, OR OTHER ACTIVITIES AND AVOID CLOSE CONTACT WITH OTHERS.
